

## About US

The Nevada Government eMarketplace (NGEM) is a cooperative effort among:

- City of Las Vegas
- City of North Las Vegas
- Clark County
- Clark County Water Reclamation District
- Las Vegas-Clark County Library District
- Las Vegas Convention and Visitors Authority
- Las Vegas Metropolitan Police Department
- Las Vegas Valley Water District
- McCarran Airport
- Regional Transportation Commission of Southern Nevada (RTC)
- Reno-Tahoe International Airport
- Southern Nevada Water Authority

NGEM allows contractors and suppliers to register in one central location to receive requests for bids or proposals from all participating entities. We expect additional entities to join NGEM in the future, further increasing the value to suppliers.

In addition to centralized registration, NGEM allows for online publishing of solicitations by the participating entities, and online submission of bids or proposals by offerors. This is a first in Nevada public contracting, and we believe our suppliers and contractors will be as pleased as we are with the time and materials savings, increased efficiency, electronic record keeping and more.

NGEM is administered by staff from all participating government entities, and does not have its own offices or budget. To contact any of the members of NGEM:

### City of Las Vegas
